Great location! Morning walks for coffee, quiet neighborhood, pool was great, close to the beach & restaurants. House was very clean, beds were comfy, shower-water pressure was great! Kitchen was fully equipped. I had 2 questions while there & Rex was quick with responses! Great time!

Clean. Convenient. Well located. Responsive hosts. Amenities more than adequate. (Great January weather!) We had a great month!

Private feedback:
Nice home. Clean. You were very responsive from the beginning - a big plus! Convenient location. Lots of towels for indoors and out. Beach chairs and umbrella. Grill. Pool. TVs, Wifi. Lighting. Laundry. Instructions were clear (except front door lock situation). Not much comfortable seating when being there for a month. Counter stools inside and out are too high. No seating inside except beds and low couch. Toaster is broken. Towel ring in master bath was broken when we got there. Kitchen sink doesn't drain. Master bath toilet seat too small/crooked. Sink stopper in 2nd bathroom not functional. Front door lock is an issue. We really enjoyed our time. If this place is still on the market same price next year we will be interested! Best of luck to you.

Very nice large house in quiet secluded neighborhood. Highlight is screened-in heated pool area with a very comfortable couch and large TV. Powerful AC and additional TVs throughout house. High speed wifi. Kitchen with full cookware assortment. Did not use, but also available, outdoor bar and grill. Well cleaned on arrival, easy check in, and responsive hosts. I stayed for a month and would do so again. Recommended!

Response from Rex And Mairelis:
Thank you Carols, We appreciate the respect, communication and the way you treated our home. We enjoyed getting to know you and wish you the best.

Our stay in the house went very smoothly. The hosts were clear and specific in the check-in process and even allowed us to check-in earlier than expected. Everything in the house was clean and spacious and was filled with all of the amenities of a home and even had some "hotel" type touches. Everything looked sanitized and clean. The house is nicely styled with all of the bedrooms feeling homie. The kitchen it stocked with all of the items needed to cook breakfast/lunches and the fridge was stocked with assorted condiments. The host provided a huge assortment of towels and linens for all of the guest bedrooms and pool towels. Our entire group was pleasantly surprised at how spacious the enclosed pool area was, which came in great help as the weather was very rainy for the duration of our stay. We were able to enjoy the pool and bbq despite the bad weather. The location of the house is close to a lot of restaurants and places that deliver food, which also made our stay more convenient. I would definitely stay here again to staycation with friends and family.

Private feedback:
Thank you for hosting us in your lovely home. The only hiccup we had was that both propane tanks were empty so we had to find a replacement tank last minute. Aside from that, everything was so clean and easy to find. We definitely enjoyed our stay and look forward to adding your home to our rotation of Airbnb vacations.

We had a great stay! Rex and Mairelis have thought of everything a guest could need to feel at home. This house has cozy well decorated living spaces, a well equipped kitchen and comfy bedrooms. Everything was sparkling clean. The pool was warm but not too warm to have you still feel refreshed after a swim. We had great communication with our hosts and the whole rental process was easy and very efficient. Thanks again Rex and Mairelis!

Private feedback:
The house was perfect for our visit to Florida. Thanks for your great communication and hospitality. The only suggestion I could make for improvement would be to give the pool deck a good clean. Our wet feet got dirty and we had to be careful not to track into the house. Everything else was sparkling clean!

This trip was amazing. Your house is absolutely beautiful. I love the location by the pier. It was so quiet and peaceful. Absolutely loved the pool area. And the house offered everything we needed. I would rebook again and again.

Private feedback:
This trip was amazing. Your house is absolutely beautiful. I love the location by the pier. It was so quiet and peaceful. I loved the speaker touch in the bathrooms. Gave me a chance to get my singing up in the walk-in showers. Our most favorite part of house by far was next to the pool. This was the perfect hangout area. It was great because it had a tv for us to watch movies while in the pool or listen to music. It was the perfect thought. Thank you for that. This house literally had everything we needed. Down to a cooler we needed to use cause it was so hot. Thank you again. Only little tiny suggestion I would make is to upgrade the grill. We were really looking forward to a bbq outside cause we seen the grill but when we opened it, it didn't look usable. The inside was broken and we really didn't trust to use it. But besides that everything else was great.

We had such an amazing stay. The house was perfect, the covered pool was great for our 15 month old (no need to constantly apply sun screen) and the backyard was the perfect combo of sun and shade. Both bathrooms are newly renovated, there is a bar outside, lots of towels for swimming and the kitchen had everything we needed and nicely renovated. The location was pretty central to the beach, restaurants grocery stores. You would need a car to stay here but most things were a 5-10 minute drive. The place is exactly like the photos or nicer. Would go back in a heartbeat.

Private feedback:
Thanks for the great place, it was awesome and I would recommend it to anyone looking for a warm getaway.

Cleanliness feedback:
Overall the place was very clean. The big rug was dirty in the main room and could use a cleaning.

Rex and mairelis's place is sparking clean and beautiful. Gorgeous brand new kitchen and bathrooms. Air conditioning worked great. The outdoor space is spectacular. Terrific pool that was well heated even on a couple of chilly day's and had lots of pool toys for kids. Outdoor bar and patio area excellent spot for lunches and dinners. A very quiet neighbourhood that is only a 5 min drive to pompano beach. A truly awesome place that I would recommend to anyone.

Private feedback:

A true gem of a house for a family! The pool in the lanai was wonderful as well as the entertainment area in the backyard. The house itself was spacious and very clean. Rex and Mairelis are excellent hosts providing information to us from the time we made the reservation until our arrival. They quickly responded to a problem in the house. Our family would highly recommend this house for a vacation!

Response from Rex And Mairelis:
Thanks Don, we really enjoyed hosting you and your family and we're very pleased that you enjoyed yourselves!

Private feedback:
Our family very much enjoyed their week at your house. You were so thoughtful sending information before we arrived and immediately having a solution to the dryer problem. As expected the pool was a big hit as well as the bar outside where we ate dinner every evening. Everything was very clean and well organized for all of us. We will rate everything very highly. Everyone in our family would return to such a delightful location.

What a perfect secret getaway! I travelled to Florida with my husband and two friends (who are also colleagues) for a conference and booked Rex and Mairelis's home for the four of us. It was the ideal location for the venue and the perfect accommodation for our group. The property not only exceeded our expectations, it blew us away! We fell in love with the gorgeous new kitchen, the sleek floors, the stylish and updated bathrooms, the soft and cheerful colors in the bedrooms, the fluffy white towels, the crisp, clean sheets, the big comfy sectional couch, and more. Outside, we Northerners marvelled at the verdant gardens and delighted in the screened-in pool. That pool got a lot of use in our four-day stay; most of us were in it at least twice each day. The poolside table and chairs became our favorite spot for sharing morning coffee and tea (yay for having a tea kettle!) and eating a home-cooked tilefish dinner (new to us and very delicious). Rex and Mairelis were the consummate hosts! Every small detail was addressed, and responses to my questions (mostly about the also new-to-me pool) were answered quickly, thoroughly, and kindly. We were able to make the most of our stay, in part thanks to the professional cleaning crew, who changed their schedule to fit our late flight home. I really can't say enough - this was a pleasure start to finish. Rex and Mairelis, we're looking forward to next year's conference - plus a couple extra days for fun! Thank you. :)

Response from Rex And Mairelis:
It was our pleasure getting to know you Jen. Thank you for your kindness and thoughtfulness in your gratuity to the woman who cares for our home. Sometimes people have no regard for those who have to clean up after them let alone leave a service tip for doing so. You and your husband and friends are most welcome back anytime!

Private feedback:
Thank you so much for a wonderful weekend in your home. Charlie and I, and our friends, Audrey and Karen, all had a fabulous time. Our only regret is that we couldn't spend all day at the house! Our math conference went well, though, and we'll probably be coming back next year. All the best to you and your beautiful family!

Rex and Mairelis's place is well decorated and updated with all new appliances, beautiful granite countertop, open floor plan, bluetooth speaker in the bathroom and many more. The backyard has many lovely plants and tree. It is a great place for sunbathing. Rex is super responsive and gave a lot of useful local tips including where to park near the beach and top local places to eat. The only small disappointment was that we couldn't use the pool since the water was still kind of cold even with the solar heater. But we did enjoy hanging out around the pool in the screened area. All in all, it was a great experience at Rex and Mairelis's place. I would recommend their place and come back again when I visit south Florida next time, especially that Rex told me they will put up a much powerful pool heater in Jan.

Una casa de estilo sencillo pero muy funcional y con todas las comodidades necesarias para alojar a una familia. Su ubicación es muy conveniente, tanto para desplazarse hacia otros puntos turísticos como para visitar zonas locales de interés. Recomendamos este alojamiento familiar para combinar vacaciones de descanso alternado con jornadas de compra, playa y paseos.

Private feedback: Solamente queremos agradecer por la hospitalidad y atención de los anfitriones, particularmente por sus sugerencias relativas a todo tipo de servicios y comodidades locales (restaurantes, gimnasio, playas, etcétera).

We had a great time staying at Rex and Mairelis's place. If you are looking for a place that has an incredible outdoor gathering space, this is the place for you!!!! We were there with our 3 daughters aged 18-21. They loved the screened pool and laying out in the backyard. The place is very private, safe and quiet. The house was super clean. There was plenty of extra linens and towels. Our girls appreciated the onsite washing machine and the provided laundry detergent. There was also coffee and fresh condiments along with ample paper products. We went to the beach and used the 3 beach chairs, boogi boards, and water toys etc. There was a minor issue with a faucet in the bathroom. Rex had someone out in short order to have it fixed. He was very responsive when I had any questions. Thank you for a great place for our family to chill and reconnect.

Private feedback: Thank you for letting us stay at your home. My husband and I were able to spend incredible quality time reconnection with our daughters. The outdoor space was a highlight.

March 2019

I'd highly recommend this home. The hosts have done an outstanding job ensuring you enjoy the home and making you feel comfortable. The home is clean, Rex and Mairell's provide prompt and thorough communication, and all your day to day needs and amenities are right there for you. The location is outstanding. It's close to the beach, shopping and many other entertainment options. The pool area is stunning. The enclosure allows you the option to swim/hangout outside without being bothered by any little creatures Florida offers (my personal favorite). We will definitely plan to stay in this home during our next visit.

Response from Rex And Mairellis:
Thank you Jen. We appreciate your excellent communications with us and look forward to your family staying with again.

Private feedback:
Thanks again for sharing your beautiful home. My family truly enjoyed every second. You have done an amazing job ensuring all your guest needs are met. We visit our family down there every other year and hope to rent your home again. My husband and I just purchased a lake home near Galena IL that we will be Airbnb starting in April, so we took some ideas from you. A few side notes, 1. The 2 red plastic chairs outside were cracked when we got there and one of the teal ones cracked when my husband went to sit it in yesterday. The sun and plastic don't mesh well. Hal Hal 2. The dishwasher - I'd consider myself a fairly intelligent person but we couldn't get the dishwasher to run a cycle. It would sound as if it was running, spray some water but we didn't actually complete a cycle. 3. The freezer drawer was tough to open. It could be because there wasn't anything in there but when you try to pull it, the whole refrigerator would move with it. Once it was open it was completely fine and functional. Again, thank you for sharing your home!

When staying at this chic residence you can expect to have a host that takes pride in their residence, lots of communication on places to dine and how to easily get to beaches. It is centrally located to shopping, movie theaters and lots of places to eat. The screened in pool area is a great place to enjoy a meal, catch a movie and then take a dip. This was my wife and I first Airbnb experience and Rex and Mairellis made it a great one.

Response from Rex And Mairellis:
Thank you Alan, it was a pleasure communicating with you over your stay. We're happy your enjoyed your stay and We welcome you back any time. Rex and Mairellis

Private feedback:
Rex and Mairellis thank you for being an outstanding host and opening your house up to our family. Your home is very spacious and accommodating to the needs of all. We welcomed all the communication, suggestions of places to dine, directions to the beach and the usage of beach chairs and beach towels were an added bonus. You thought of everything and more! We especially want to thank you for being accommodating on our last second request of a late checkout. The future enhancements of an outdoor bar and canopy in the back of the lanai are going to put you over the top. The only thing we could suggest is that you think about adding a king size bed in place of the queen to that spacious master bedroom and leave instructions on how to operate Apple TV it was a bit confusing at first.

August 2018

We really enjoyed staying in this clean, modern house that had everything we needed and lots of more. A fantastic house that we wished was ours. Hope we will be back sometime in the future.

Response from Rex And Mairellis:

The place is simply amazing!!! Everything looked sparkling clean and taken care of. The house is equipped with everything you will need, from beach towels to sand toys for kids. We loved the inside as well as the outdoors. The pool was amazing as well. The booking schedule allowed, and Rex and Mairellis were very nice, and let us check in earlier and check out later. Amazing stay, our best experience so far! We will be coming back!!!!

May 2018

Lovely stay,just don't receive code to enter home until I got there late at night.

Response from Rex And Mairellis:
Actually, we provided Shayla with our standard welcome / information email (including our front door keyless entry code) one week prior to her arrival ... I guess she did not read it. She left her Audi car keys behind as well. Both myself and our co-host James immediately responded to Shayla's 11:30 pm text and provided her with the entry code and I also told her to call me if she had any other issues. Not sure what more we could have done.

Private feedback:
Be sure to give code to guests.

April 2018

With a lovely, updated, fully equipped kitchen, laundry facilities, three good sized bedrooms, two full baths and a great location, this house is a great place to stay in Pompano Beach. The owners always quickly responded to any questions that we had and were very helpful. The pool, screened lanai, and fenced in yard were also appreciated. We also took advantage of being only a few minutes from the beach. If staying in Pompano again, we'd certainly return to this home!

Response from Rex And Mairellis:
Hello Bob, We'd like to thank you especially for your private feedback which was very positive. We're glad that you enjoyed having and using both our Keurig and Mr. Coffee makers. We're also happy that you enjoyed our large fenced in back yard which was safe for your toddlers and separated away from the pool. When your daughter in law told me about the Baby's Away rental, I immediately investigated this company on the internet. Now I am referring Baby's Away contact info to all our inquiries regarding baby cribs, beds and other accessories. Baby's Away is an awesome national company with a local branch in Fort Lauderdale which provides clean and safe baby cribs, beds and other baby accessories for a very reasonable cost including delivery. Tell Aisha, your daughter in law, thanks very much for informing us about Baby's Away.

Private feedback:
I really appreciated the two different coffee makers as on the day we were leaving I only had time for one cup of coffee, so the Keurig was great! The other days we made a pot of coffee. Another wonderful feature was that the pool was part of the screened in lanai, but there was also a grassy area with the yard being fenced in. This was wonderful for the three toddlers present. We were of course always outside with them but we did not have to worry about them trying to head for the pool when they were playing in the grass. It was also greatly appreciated that you were open to allowing rental baby furniture to be delivered. With our son and daughter-in-law who have twins having to fly, it was impossible for them to bring everything needed with them. Despite only having a short stay, we greatly appreciated the amenities your place offered!

April 2018

Rex and Mairellis are great hosts! Their house is super clean and cozy. So close to everything you need for your get away, literally minutes from the beach and supermarkets.

Rex and Mairellis have a beautiful and were awesome hosts. Easy to communicate with and very responsive. My family and I had a wonderful time and recommend this property to other families!

March 2018

Previous reviews were right on! While the area is attractive but modest, the home is an oasis! The enclosed pool & backyard are inviting and private, offering a great variety of areas to relax as a group or privately. If we were to move to Florida from the Northeast, this is EXACTLY the kind of house we would want - compact & efficient, bright & airy, yet plenty of room for entertaining. Rex was a great host, immediately trouble-shooting a minor issue we had (which ended up being my problem, not his). If you're looking for a comfortable and relaxing place to enjoy the Florida coast, while being close to all the action in Ft. Lauderdale, Pompano Beach and points north...this is it!

Response from Rex And Mairellis:
Thank-you Tom, We appreciated having you as our guests in our home and you are welcome back any time. You guys were a class act!

Rex and Mairellis's home exceeded our expectations. The home was beautiful, clean, and comfortable. The pool and outdoor patio area made for a great place to relax, enjoy the sun, and cook up dinner on the grill. Rex and Mairellis were very responsive hosts, provided a very easy check-in process, and gave us some great recommendations for local restaurants. This home comes at a great value for anyone staying in south Florida.

Absolutely gorgeous house! The kitchen is amazing, the pool and enclosed patio is perfect! Rex and Mairelis were quick to respond and so great to deal with. I honestly haven't had a better experience than this one with AirBnB! Go see this beautiful property, just make sure you take great care of it as it will be added to my regular vacation spots!

La casa está muy bien equipada para una familia con chicos, la pileta está en perfectas condiciones y es muy fácil llegar a la playa o a las autopistas. Está cerca de todos los servicios que uno necesite sin perjudicar la privacidad y tranquilidad de la casa. Pasamos una maravillosa semana!

August 2017

Rex was very friendly. He answered all of my questions before the trip. This was our first time using air bnb. And we loved it. The house is close to the beach. And close to stores and restaurants. We had a great time swimming in the pool. We enjoyed swimming day or not night. We loved how private and covered it was. The house was big enough for us and very clean. The number code lock on the door was great for us. Because our flight was so late. We didn't get to the house till 12. We didn't have to wait for anyone. We were able to just put in the code and go right in. Thanks again rex and mairelis.

Thank you so much for letting us use your home for our family vacation. We had a great time. We had such a great time. My husband loved your house so much. He keeps asking me to sell our house. So we can go buy house like your down in Florida. We loved having the pool. We took nightly swims. And it was so close to the beach. We enjoyed the beach almost every day. Thanks again. And may god bless you.

Rex and Mairelis's house was absolutely beautiful! They left helpful notes around the house explaining how use different amenities of the house. They were great at communicating with us and even offered attractions in the area that we should visit. I would highly recommend this property to anyone staying in the Pompano area!

Response from Rex And Mairelis:

Rex and Mairelis were great hosts. It was also nice to have a nearby co-host to contact with any questions. The house is beautiful, just like it is pictured. The pool is very convenient and was never cold. Linen closet was packed which was appreciated. We even got up early to watch the sunrise from the fishing pier which was only minutes away. My family and I enjoyed our stay and highly recommend.

I highly recommend staying at Rex and Mairelis's house. They are so easy to get along with and made our vacation a blast! The area/ house is quiet, clean, friendly, and the kitchen is beautiful , about a 5- 7 minute drive to the beach and very central to everything one would need. LA fitness was close by as well - which we loved. The screened in pool and barbeque add that extra special touch. I highly would recommend if you are wanting to stay in this area ! Thanks again REX - we will be back !

Rex and Marielle went out of their way to communicate with us and make sure we were comfortable. The house is in a convenient location, easy to get to most areas quickly. We also really appreciated the cleanliness! I would recommend this house to others!

Response from Rex And Mairelis:
Hello Joanne, Thanks so much for your suggestions. I had a box of brand new dishes in the laundry room which I'll make sure gets opened, washed and put in the cupboards. I have the pool maintained by a professional who comes by on Tuesdays to check chemical levels ... but you are right it does look discolored and we are going to professionally resurface it with "diamond Brite" this summer ... so it pops. We'll also get more coffee mugs. Thanks again and best to you.

Thank you so much for the stay in your home. We had a great time, it was a perfect location for us to be near our dad. My siblings and I have stated several other Airbnb's over the years, we appreciated the communication and cleanliness of the house. You were really superb on the communication side and we appreciated that. Just minor tweaks would be suggested, for example when we stay at others House, towels are set up in the bathroom and or on each guest bed. There didn't seem to be enough coffee mugs or plates. Not sure if the pool had algae in it or if the walls were stained but that prevented us from using it. I'm just passing this on as constructive feedback, overall I think you guys were great hosts and we really appreciated the cleanliness .

March 2017

As an Airbnb host myself and being the first guest to stay at Rex & Mairelis's place, I cannot say enough positive things about the experience. Between the gourmet kitchen and Weber grill out back, my family and I were able to eat home cooked meals every night, saving a ton of money instead of constantly dining out. The location is incredible, tucked in a residential neighborhood but walking distance to the beach and a bunch of awesome bars and restaurants. The lenai is amazing and was used every single day to swim, play cards and a few adult beverages with a warm spring breeze (and without the bugs!). The beds were comfy, the linens were soft, and the bedroom layouts were great offering a bit of privacy between them, especially with access to the lenai from both ends of the house. I seriously can't say enough good things about this place; dollar for dollar, you won't find anywhere else nearby that offers this level of amenities and a massive layout for everyone to enjoy. Great for families and larger groups! Thanks again guys, this place is DEFINITELY our new go-to spot when vacationing in South Florida! :)

Response from Rex And Mairelis:
Dear Jon, Thank you for your kind words and thank you for your private feedback/suggestions. You are one those rare people who is genuinely interested in helping others. It has been a sincere pleasure to get to know you. You and your family are always welcome in our home. And we are going to make our home better because you took the time to share your hosting insight and experience with us. Again, Thank you.

Private feedback:
Hi Rex & Mairelis, First off, I wanted to extend my gratitude to the both of you for allowing my family and I to be your first guests. Everyone was absolutely thrilled with the house and it was very conveniently located between my aunt and grandmas condos. I'm going to give you a bunch of feedback (as an Airbnb host myself) that I think you'll appreciate. 1. The location is amazing and I would reiterate in your listing that it's a half mile away from the beach and many nearby attractions. 2. This is a great home for large(r) groups and families and is nice and spread out, giving everyone a bit of privacy. 3. The kitchen is UH-MAZING and as a realtor and Italian who loves to cook, I can really appreciate how you have high end appliances and a big space for everyone to gather. 4. The beds were all very comfortable and definitely ample pillows/blankets for those who wanted extra. 5. Everything seemed clean and well organized. 6. The grill you purchased was great and allowed us to cook out almost every night (something my family loves to do). On the flip side, here are a few suggestions I would offer to improve the experience: 1. Add basic cable in at least the living room, and potentially the bedroom/lenai. My mom felt a bit lost not being able to watch the morning news, and without even an Apple TV outside and in the bedroom, the TVs were a bit useless. 2. I know there were some issues with the pool heating at first, but it didn't get heated up for us until our last day so we weren't able to use it which was a bit disappointing. I know you mentioned that you planned to repaint or line the pool which I think would be really nice. Adding a light (especially one of those LED color changing ones) in it would really make it pop a ton. 3. I would recommend locking up the garage area and putting some of the supplies (currently in the laundry room) in the garage. I can't tell you that some Airbnb guests will take advantage (to a fault) of those supplies and you wouldn't want anything of value to disappear. 4. I would recommend adding a bathroom fan in the right side bathroom (near the two smaller rooms). I bought this one from Home Depot for \$159 which has a bluetooth speaker and LED lights in it and I can tell you that it's absolutely one of our guests favorite features about the home. It's also very easy to install, like any other fan. Link: <http://www.homedepot.com/p/Home-Networks-Decorative-White-90-CFM-Bluetooth-Stereo-Speaker-Bath-Fan-with-LED-Light-7130-02-BT/205429483> 5. Lastly, there weren't as many plates/bowls/silverware as we could've used at times. We did notice there were a bunch in new boxes in the laundry room but didn't know if they were for us so we didn't open them. I'd recommend adding them to the rotation for guests to use. I'm going to head over and write your public review now; I'll try and knock it out of the park to encourage others to stay there. Please let me know if you have any questions and hopefully my family and I will be back sooner or later to stay with you. If you and your family are ever in Buffalo, I'd encourage you to visit me and stay at my place (Link: <https://www.airbnb.com/rooms/16149827>). I'd love to have a drink with you and show you around the city! Best Regards, Jon Carvalho
